

Sickle Cell Institute Chhattisgarh

Declaration of the technical qualification and information for the
Price bid opening

(Tender Ref. No.: SCIC/Tenders/2014/001, Date: 10th Oct, 2014)

On the basis of bid submitted by the bidders in response to above referred tender, Technical Demonstration has been called by the technical evaluation committee and hence decided the eligibility for opening of price bid as stated below.

A. List of Small instruments:-	Annexure -1
B. Kits:	Annexure -2
C. Chemicals	Annexure -3
D. Glassware, plastic wares consumables	Annexure -4
E. Medicines	Annexure -5

Kindly go through the respective list of item and find technical eligibility for the quoted items. If any clarification or correction needed, it can be presented to the undersigned on written before 8th of June 2015 till 05:00 pm. Any request, after stipulated time cannot be entertained on any circumstances.

The **Price Bid** will be opened on **11th June 2015 at 03:00 PM**. The representatives of the firms may be present on the mentioned dates at the office of Director Medical for the same.

Sd-
Director General, SCIC, Raipur

Declaration of Technical qualification for small Medical instrument/equipments

S.No.	Name of Items	Specification	Scientific Traders	Ideal Chemicals	Kasliwal Brothers	Surana Enterprises	Pharmadeal	Concluding Remark
1	Lab Centrifuge	12-16 true Capacity			Make Remi	Make Altek, multispin centrifuge		No demonstration given by any of the firm. Thus Disqualified
		0-5000 rpm with timer			Model R-8C	TC-650F, maintenance free		
		Rectangular body with cover						
		Digital display						
		Electric breaks						
		Good brand						
2	B.P. Apparatus	Sphygmomanometer mercury type					Diamond make	Single Bid by Pharmadeal
		Portable.						
		Should have ISI mark						
		Should have ON & OFF Provision for mercury						
		Measuring range from 0-300 mm hg						
		Should have Adult & pediatric cuff						
		Inflation rubber bag should be soft &						
		without Joints						
3	Stethoscope	Precise & noise reduction					Diamond make	Single Bid by Pharmadeal
		High quality diaphragm						
		High quality tubes						
		Dual head chest piece						
		Spare ear tips & spare diaphragm						
		Good brand						

4	Clinical Thermometer	Analogue					Hicks	Single Bid by Pharmadeal
		Mercury operated						
		Reading in both Celcius & Farenheit						
		For clinical use						
		Good brand						
5	Fundoscope	Batery operated						No bid
		High resolution						
		Quality lense						
		Portable, hand held						
		Including lamp						
6	Otoscope	Good brand						
		Portable, hand held						No bid
		Camplete with handle and carring heads						
		Otoscope lamp						
		Good brand						
7	Torche	LED torche						No bid
		Hand held						
		Chargable						
		Good brand						
8	Knee- hammer	For Neurological examination						No bid
		Hand held						
		Soft rubber						
		Stainless steel handle						
	Syringe needle destroyer	Electric operated	• Metal body					Single Bid by Scientific Traders
		Should be able to burn & destroy needle	• Can burn upto 30-20 guage needles.					

9		Should be able to cut & destroy	• Destruction time 1.5-3 seconds					
		syringe needle/neck	• With SS syringe cutter					
		Stainless steel cutter & body	Make Labline ND-22					
		Good brand						
10	Microscope	For routine haematological use	Make N.K.Jain Instrument pvt ltd.	Make Olympus		Motic Research advance binocular microscope SK220i		All three bidders have demonstrated their respective models of microscope, all are Eligible and accepted for price bid.
		Binocular	"Labomed vision 2000"					
		Low, high & oil immersion lenses		MLX-B plus				
		Good brand						
		Inbuilt light source						
		Good brand						
11	Colorimeter	Digital display	Make Labtronics	Make systronics	Make ESICO			Only scientific traders have demonstrated, thus acceptable for price bid, other two bidders have not participated in demonstration, thus disqualified
			LT-111	Model 112	Model 1312			
		1 ml Cuvette						
		Data storage		Make systronics				
		Both absorbance & concentration mode		Model 115				
		405 to 720 nm filter						
		Tungsten lamp		Make EI				
		Good brand		Model 312				
	Haemoglobinometer	Colorimetric principle	Make labtronics	Make systronics	Make Esico			Only scientific traders have demonstrated, thus acceptable for price bid, other two bidders have not
		1 ml volume	LT-113	Model 186	Model 1315			

12		Digital display						bidders have not participated in demonstration, thus disqualified
		reading range 0-20 g/dl		Make EI				
		Stable calibration		Model 1315				
		Both absorbance & concentration mode						
		Good brand						
13	Manual Cell Counter	Digital display						No bid
		6-8 parameter count						
		on 100-count alarm bell						
		Good brand						
14	3 Part Haemology Cell Counter	Fully automated	Option 1			AMQAX1000 countess II automated cell counter		Only scientific traders have demonstrated, thus acceptable for price bid, other bidder has not participated in demonstration, thus disqualified.
		Open system for use of standard reagents	Make Horiba Medical, France					
		Whole blood mode	ABX Micros ES 60 with inbuilt printer					
		18 parameters						
		Calculated paramet & histograms	Option 2					
		Through put 50 samples/hour	Make Horiba Medical, France					
		Automatic startup, shutdown, self checking, Washing, filling & background check.	ABX micros 60 supplied with 80 column dot matrix printer					
		Full automatic calibration						
		Reagent bag & starting kit						

		Printer included						
		Compatible for external printer						
		Power - 200V. 50Hz						
		Good brand						
15	Electrophoresis Apparatus	Horizontal apparatus with cover	Make Genexy	Make Systronics				Not found suitable in technical demonstration by the scientific traders, Other bidder has not demonstrated thus disqualified
		For running on Cellulose acetate gel paper	GENECO –H-Mini	Model 610H				
		For haemoglobin & protein Electrophoresis						
		Complete with power pack & other accessories						
		Platinum electrode wire						
		Open system for use of standard alkali						
		and acid buffers						
		Power - 200V. 50Hz						
		Good brand						

Kits

Technical evaluation of the kits

Name of the Firm		Surana Enterprises	Kasliwal Brothers	Pharm adeal	Ideal Chemicals	Scientific traders	Syma medical and dental Surgical	Remark
Particulars of item								
1.	Beta- thal short programme kits	NQ	NQ	NQ	NQ	NQ	NQ	Not quoted by any bidder
2.	Sickle cell short programme (Neonatal screening)	NQ	NQ	NQ	Centrifugation and solubility test kits- Not applicable	NQ	NQ	Not Considered
