

Technical Eligibility for small equipments

| S.No. | Name of Items | Specification | Scientific Traders | Ideal Chemicals | Kasliwal Brothers | Syma Medical and dental surgical | Surana Enterprises | Pharmadeal | Concluding Remark |
|-------|----------------|--|---|-----------------|----------------------|----------------------------------|--|--------------|---|
| 1 | Lab Centrifuge | 12-16 true Capacity 0-5000 rpm with timer Rectangular body with cover Digital display Electric breaks Good brand | Make Remi • Model-R-8C Capacity: 12x15ml • Model R-8C capacity:16x15 ml • Model-R-8C capacity 12x15 (Not Authorized) | | Make Remi Model R-8C | Not quoted for any equipment | Make Altek, multispin centrifuge TC-650F, maintenance free | | Kasliwal and surana enterprises are eligible in technical bid. Scientific traders is not authorized from Remi. Called for Demo |
| | B.P. Apparatus | Sphygmomanometer mercury type Portable. Should have ISI mark Should have ON & OFF Provision for mercury Measuring range from 0-300 mm hg Should have Adult & pediatric cuff | | | | | | Diamond make | Single Bid by Pharmadeal |

| | | | | | | | | | |
|---|----------------------|--|--|--|--|--|--|--------------|--------------------------|
| | | Inflation rubber bag should be soft & without Joints | | | | | | | |
| 3 | Stethoscope | Precise & noise reduction | | | | | | Diamond make | Single Bid by Pharmadeal |
| | | High quality diaphragm | | | | | | | |
| | | High quality tubes | | | | | | | |
| | | Dual head chest piece | | | | | | | |
| | | Spare ear tips & spare diaphragm | | | | | | | |
| | | Good brand | | | | | | | |
| 4 | Clinical Thermometer | Analogue | | | | | | Hicks | Single Bid by Pharmadeal |
| | | Mercury operated | | | | | | | |
| | | Reading in both Celcius & Farenheit | | | | | | | |
| | | For clinical use | | | | | | | |
| | | Good brand | | | | | | | |
| 5 | Fundoscope | Batery operated | | | | | | | No bid |
| | | High resolution | | | | | | | |
| | | Quality lense | | | | | | | |
| | | Portable, hand held | | | | | | | |
| | | Including lamp | | | | | | | |
| | | Good brand | | | | | | | |
| 6 | Otoscope | Portable, hand held | | | | | | | No bid |
| | | Complete with handle and carring heads | | | | | | | |
| | | Otoscope lamp | | | | | | | |

| | | | | | | | | | |
|----|--------------------------|---|--|--------------|--|--|--|--|---|
| | | Good brand | | | | | | | |
| 7 | Torche | LED torche | | | | | | | No bid |
| | | Hand held | | | | | | | |
| | | Chargable | | | | | | | |
| | | Good brand | | | | | | | |
| 8 | Knee-hammer | For Neurological examination | | | | | | | No bid |
| | | Hand held | | | | | | | |
| | | Soft rubber | | | | | | | |
| | | Stainless steel handle | | | | | | | |
| 9 | Syringe needle destroyer | Electric operated | <ul style="list-style-type: none"> • Metal body | | | | | | Single Bid by Scientific Traders |
| | | Should be able to burn & destroy needle | <ul style="list-style-type: none"> • Can burn upto 30-20 guage needles. | | | | | | |
| | | Should be able to cut & destroy syringe needle/neck | <ul style="list-style-type: none"> • Destruction time 1.5-3 seconds | | | | | | |
| | | Stainless steel cutter & body | <ul style="list-style-type: none"> • With SS syringe cutter | | | | | | |
| | | Good brand | Make Labline ND-22 | | | | | | |
| 10 | Microscope | For routine haematological use | Make N.K.Jain Instrument pvt ltd. | Make Olympus | | | Option -1 | | Scientific traders, Ideal Chemicals and Surana Enterprises (for option 1) are eligible in technical evaluation. |
| | | Binocular | "Labomed vision 2000" | MLX-B plus | | | Motic Research advance binocular microscope SK220i | | |
| | | Low, high & oil immersion lenses | | | | | | | |
| | | Good brand | | | | | | | |
| | | Inbuild light source | | | | | | | |
| | | Good brand | | | | | Option -2 EVOS core cell imaging system | | |

| | | | | | | | | | |
|----|---------------------|---|------------------------|---|-----------------------|--|--|--|---|
| | | | | | | | | | Called for Demo |
| 11 | Colorimeter | Digital display 1 ml Cuvette Data storage Both absorbance & concentration mode 405 to 720 nm filter Tungsten lamp Good brand | Make Labtronics LT-111 | Make systronics Model 112 Make systronics Model 115 Make EI Model 312 | Make ESICO Model 1312 | | | | Scientific traders, Ideal Chemicals (Only for systronic model 115) and Kasliwal brothers are eligible in technical evaluation. Called for Demo |
| 12 | Haemoglobinometer | Colorimetric principle 1 ml volume Digital display reading range 0-20 g/dl Stable calibration Both absorbance & concentration mode Good brand | Make labtronics LT-113 | Make systronics Model 186 Make EI Model 1315 | Make Esico Model 1315 | | | | Scientific traders, Ideal Chemicals and Kasliwal brothers are eligible in technical evaluation. Called for Demo |
| 13 | Manual Cell Counter | Digital display 6-8 parameter count on 100-count alarm bell | | | | | | | No bid |

| | | | | | | | | | |
|----|-------------------------------|--|---|----------------------------|--|--|--|--|---|
| | | Good brand | | | | | | | |
| 14 | 3 Part Haemology Cell Counter | Fully automated | Option 1 Make Horiba Medical, France ABX Micros ES 60 with inbuilt printer Option 2 Make Horiba Medical, France ABX micros 60 supplied with 80 column dot matrix printer | | | | AMQAX1000 countess II automated cell counter | | Scientific traders and surana enterprises are eligible in technical evaluation Called for Demo |
| | | Open system for use of standard reagents | | | | | | | |
| | | Whole blood mode | | | | | | | |
| | | 18 parameters | | | | | | | |
| | | Calculated paramet & histograms | | | | | | | |
| | | Through put 50 samples/hour | | | | | | | |
| | | Automatic startup, shutdown, self checking, Washing, filling & background check. | | | | | | | |
| | | Full automatic calibration | | | | | | | |
| | | Reagent bag & starting kit | | | | | | | |
| | | Printer included | | | | | | | |
| | | Compatible for external printer | | | | | | | |
| | | Power - 200V. 50Hz | | | | | | | |
| | | Good brand | | | | | | | |
| | | | | | | | | | |
| 15 | Electrophoresis Apparatus | Horizontal apparatus with cover | Make Genexy GENEKO –H-Mini | Make Systronics Model 610H | | | | | Scientific traders and ideal chemicals are eligible in technical evaluation |
| | | For running on Cellulose acetate gel paper | | | | | | | |
| | | For haemoglobin & protein Electrophoresis | | | | | | | |

| | | | | | | | | | | |
|--|--|---|--|--|--|--|--|--|--|-----------------|
| | | Complete with power pack & other accessories | | | | | | | | Called for Demo |
| | | Platinum electrode wire | | | | | | | | |
| | | Open system for use of standard alkali and acid buffers | | | | | | | | |
| | | Power - 200V. 50Hz | | | | | | | | |
| | | Good brand | | | | | | | | |
| | | | | | | | | | | |
